I never took the stuff till the first months of 2023. After about 90 tablets I wasn't feeling benefits but negative effects. My instincts told me that I shouldn't take the tablets. Now I have 140 tablets left in a fancy box. I got Pure Shilajit from Siberian mountains in Russia

Do you have the published results page

Please warn Dr. Sherry Tenpenny about zeolite!! She has them as a sponsor!!

Hi Mike, I would appreciate your feedback on this ! This will help a lot of people already involved... - is it a sound practice to generalize on the results of using zeolites (or any other substance) based just on lab results and neglecting the life lab blood test results-? Why don't you look at 'MASTERPEACE ZEOLITE Z RESPONSE ENDS LIES'

They sell Ivermectin on Amazon again, but the tablets are expensive. Their horse paste is cheaper.

People use food grade diatomaceous earth to detox, which I hear contains some aluminum, that wont be released into the body according to Dr. Berg on YouTube.
